Amend as follows:

RFP Section .14 - Request for Proposals Timeline

Please update this section to read as follows:

“Request for Clarification Deadline: March 26, 2021”

Clarification

Question/Comment:

Addendum 5 – Attachment No. 5 Price Proposal.xlsx was updated for Items #3 Hull Repair and #4 Decking Repair. Upon further review and cross-referencing to Technical Specification Section 110.1.1 and 130.1, the quantity listed is per vessel and not the sum total of both vessels. That would make the contract quantity double the listed value to become 200 SF for Hull Repair and 1,000 SF for Decking Repair. Please review and advise.

Response:

RFC 51 - Hull & Decking repair quantities:

Yes, the quantities should be modified to 200 and 1000, respectively. Please update these quantities. Bidders are to update these quantities in their forms as the Price Proposal is in Excel.
